

AIRCREW PILOT'S GLOVES

Next level comfort and dexterity

Our full-leather aircrew aviator gloves are supplied to the RAF, and air forces all over the world. Designed for enhanced dexterity, table cut for second-skin comfort, and produced in accordance with UK MOD's technical specifications.

BENEFITS:

- ✓ Designed to cope with the exacting standard required by modern pilots offering high levels of comfort and dexterity
- ✓ Constructed from top-grade British sheep Nappa leather containing water and sweat resistant properties
- ✓ Enhanced abrasion resistance through proprietary tanning methods increasing the durability and longevity of the garment
- ✓ Table cut by skilled cutters using long-established methods and practices unique to the glove trade
- ✓ It is sewn full pique, a flat stitch which offers the best comfort for the wearer
- ✓ Produced in accordance with the technical specification as detailed by the UK MOD
- ✓ Touch screen compatible version also available

“ The most comfortable gloves that pilots can wear ”
