

MEANS OF RESCUE (MOR)

Safe retrieval of passengers and crew

Developed for the safe retrieval of your passengers and crew in an emergency at sea. Designed to meet the latest requirements of roll-on/roll-off (Ro/Ro) passenger ships, our Means of Rescue (MOR) solution provides a safe transfer from sea level to the vessel.

BENEFITS:

- ✓ Manufactured using corrosion and abrasion-resistant polyurethane-coated fabric for longevity
- ✓ Extremely strong and safe when loaded
- ✓ Each MOR is suitable for ten persons
- ✓ Supplied in light, short-sized, strong cylindrical containers
- ✓ Containers are a distinct orange colour for high visibility and easy to identify
- ✓ Can also be used on the end of pontoons for rescue situations

“ Highly stable, even in harsh sea conditions ”

TRUSTED TO
PROTECT LIVES

MEANS OF RESCUE (MOR)

TECHNICAL DATA
