

# PRO PECHE LIFERAFT

Compact inflatable liferaft

**Our Pro Peche liferafts are specially designed for French fishing vessels** under the 227 division on the French Marine Marchande. With a capacity of six, this liferaft offers protection for you and your crew while out on the water.

## BENEFITS:

---

- ✓ Manufactured using corrosion and abrasion-resistant polyurethane coated fabric for longevity
- ✓ Lightweight and compact taking up minimal space on board
- ✓ Easy access boarding ramp from the SOLAS-approved liferaft gives quick boarding times for your crew
- ✓ Extremely strong and safe when loaded
- ✓ Lead weighted water pockets to ensure maximum stability when inflated
- ✓ Highly visible retro-reflective strips
- ✓ Stainless steel cradle, which is resistant to environmental factors
- ✓ Equipment packs sealed in strong watertight bags secured inside the liferaft

**“ Throw over inflatable liferafts  
for FMM fishing vessels ”**

TRUSTED TO  
PROTECT LIVES
